From the Comptroller's report —
No A. 2869 of 15th June 23,
Suggests that the salary, travelling allowance & the contingent grant due to Chief Sanitary Inspectors be disbursed by the District Boards and treated as contribution to District Boards when finally charged to Govt.
Subd. The Chief Sanitary Inspectors are paid out of the State funds but have to work under the District Boards. The proposal of the Comptroller seems to be unobjectionable & may perhaps be adopted. If approved the Financial Secretary may also be consulted on the matter. As the budget estimates have all been fixed up once for all the suggested changes therein may not perhaps be possible now. Subd for orders.

OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Dated, Bangalore, the 15th June *1923*

FROM

T. SATYARAJ CHETTY ESQ., B.A.,

Comptroller to the Government o

His Highness the Maharaja of Myso

16 JUN 1923

To

T.E.Jayarama Iyer, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Revenue Department.

SIR,

Adverting to Government Order No.G.25243-63/San.106-20-1 dated 30th June 1921, directing the replacement of the District Health Officers by officers of a lower rank under the designation of Chief Sanitary Inspectors, I have the honour to state that in para 3 of the order it is laid down that the Chief Sanitary Inspectors are to be employed directly by the District Boards and in para 5 of the same order that their services will be placed at the disposal of the District Boards. But in para 10 of the order the amount of their pay is deducted from the savings accruing to Government by the reorganisation of the Sanitary Department. I therefore understand that it is the intention of Government that the pay of the Chief Sanitary Inspectors is to be borne by Government. But whether their pay is to be directly disbursed from the treasuries or paid in the first instance by the District Boards and then recovered from Government is not apparent. Whether the travelling allowance and contingent charges of these officers

should

8)
should also be borne by Government has not been specifically stated.

As these officers will be under the administrative control of the Boards and work directly under the their salary, travelling allowance and contingent charges have necessarily to be drawn on bills signed or counter-signed by the authorities of the Boards and disbursed by them and treated as contribution to the Boards when finally charged to Government.

I request the favour of very early orders as to whether the procedure indicated above may be adopted and the charges treated as stated ~~as~~ that the changes, if any, to be effected in the budget may be made, and necessary instructions issued to the Boards and treasuries for the drawal and disbursement of the salaries. travelling allowance and contingencies of the Chief Sanitary Inspectors from 1st July next.

Pending the receipt of the orders on the subject I have arranged to disburse their salary, travelling allowance and contingencies from State Funds.

I have the honor to be,

Sir,

Your most obedient servant,

D Satyanarayana

Comptroller.
